

UNITED STATES DISTRICT COURT  
WESTERN DISTRICT OF MICHIGAN  
SOUTHERN DIVISION

UNITED STATES OF AMERICA,

Plaintiff,

Case No. 1:22-CR-123

v.

Hon. Paul L. Maloney

JOSHUA BRERETON,

Defendant.

\_\_\_\_\_ /

**REPORT AND RECOMMENDATION**

Pursuant to W.D. Mich. LCrR 11.1 and upon a request of the district court, I conducted a felony plea hearing in this matter on October 12, 2022, after receiving the written consent of the defendant, the defendant's attorney, and the attorney for the government. These consents were also placed on the record in open court.

Defendant Joshua Brereton is charged in Count 1 of an Indictment with arson. On the basis of the record made at the hearing, I found that defendant was competent to enter a plea of guilty and that the plea was knowledgeable and voluntary with a full understanding of each of the rights waived by the defendant, that the defendant fully understood the nature of the charge and the consequences of the plea, and that the defendant's plea had a sufficient basis in fact which contained all of the elements of the offense charged.

I inquired into the plea agreement. I found the plea agreement to have been knowingly and voluntarily made and found that it fully reflected all of the promises made by the parties.

Accordingly, I accepted the plea of guilty, subject to final acceptance of the plea by the District Judge, and I specifically reserved acceptance of the plea agreement for the District Judge. I recommend that the District Judge reject paragraph 15 of the Plea Agreement which contains the so-called “Hyde Agreement,” as against public policy and void as a matter of law. I ordered the preparation of a presentence investigation report.

### **Recommendation**

Based upon the foregoing, I respectfully recommend that the defendant's plea of guilty to Count 1 of the Indictment be accepted, that the Court adjudicate the defendant guilty of that charge, and that the written plea agreement be accepted at, or before, the time of sentencing.

Dated: October 13, 2022
